Housing and Anti- Discrimination

Diane Houk and Amanda Masters, attorneys with civil rights law firms in NYC, will discuss the nuts-and-bolts of housing anti-discrimination laws. You will learn how local and federal laws protect the right to access to housing, and prohibit discrimination based on source of income, disability, race, and other factors.

Avenues for enforcing your rights will be discussed, fact sheets will be provided, and there will be time for a question and answer session.
