

# Step One

Download pattern at <https://bit.ly/2LQZ9n7>

# Step Two

Cut out the pattern parts and attach them to the corresponding color felt sheets. You will be cutting around them.

You may want to pin down the larger paper pieces. The smaller ones you will need to hold in place to cut around.

## Step Three

Cut out all the pieces!

## Step Four

Sew on (or glue):

- 1 the inside of the ears;
- 2 the eye parts;
- 3 the leg stripes;
- 4 the hat and hat fringe to the body (front and back);
- 5 the nose and mouth to the face;
- 6 the hands and fringe to the arms; and
- 7 the collar and belt to the dress.

# Step Five

1

Sew (or glue) on the eyes.

Tip: Use white thread to attach each eye through the black pupil like sewing on a button. It will look like a highlight!

2 Layer the front body piece on top of the back body piece. You will be sewing them together.

3 First, sew the hat together along the edge. Leave the pink fringe loose.

Next, start at point a and sew around the left side of the face.

Leave an open space to put in the stuffing.

You'll sew in the other ear when you close up the space.

Remember to tuck in the ear and sew down.

4

Put in the stuffing, tuck in the ear, and sew up the space!

Use a pencil to poke in the stuffing.

# Step Six

1

Sew (or glue) the shoes to the legs. Each shoe has a front and back piece to sew together around the bottom of the legs.

back piece goes behind

2

Sew (or glue) the buckles and puffs to the shoes.

## ALSO

Sew the 2 sides of the yellow puff to the top of the hat.

## Step Seven

1 Align the dress (front & back) to the front and back of the cat's body. You will be sewing around the edge.

Sew the 2 sides of the dress to the cat body along the edge from the belt to the shoulders. Leave the bottom half of the skirt loose.

2

## Step Eight

1

Add stuffing to the body opening (under the skirt). You can use a pencil to poke the stuffing in.

2

Tuck the legs and tail inside the body edge.

3

Stitch the body opening closed with the legs and tail sewn in.

## Step Nine

Sew on the arms!

Sew the top of shoulders to the dress. Leave the rest loose.

Sew here

You've made an elf!
